Read of the Week

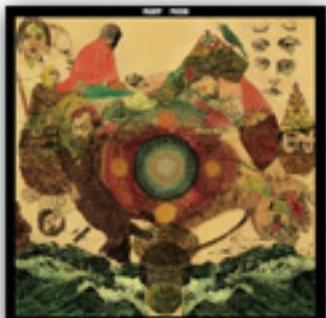

Autobiography of a Yogi is a biography written by Paramahansa Yogananda (January 5, 1893–March 7, 1952) in 1946, in which he discusses his life story, and which introduced many westerners to meditation and yoga. It has since been translated into 25 languages, and the various editions published since its inception have sold over a million copies worldwide.

Movie of the Week

The Girl with the Dragon Tattoo is a 2011 English-language drama/thriller film directed by David Fincher, adapted from Stieg Larsson's Swedish-language novel of the same name by Steven Zaillian. The film stars Daniel Craig as Mikael Blomkvist and Rooney Mara as Lisbeth Salander and tells the story of a man's mission to find out what has happened to a girl who has been missing for 40 years, and who may have been murdered.

Album of the Week

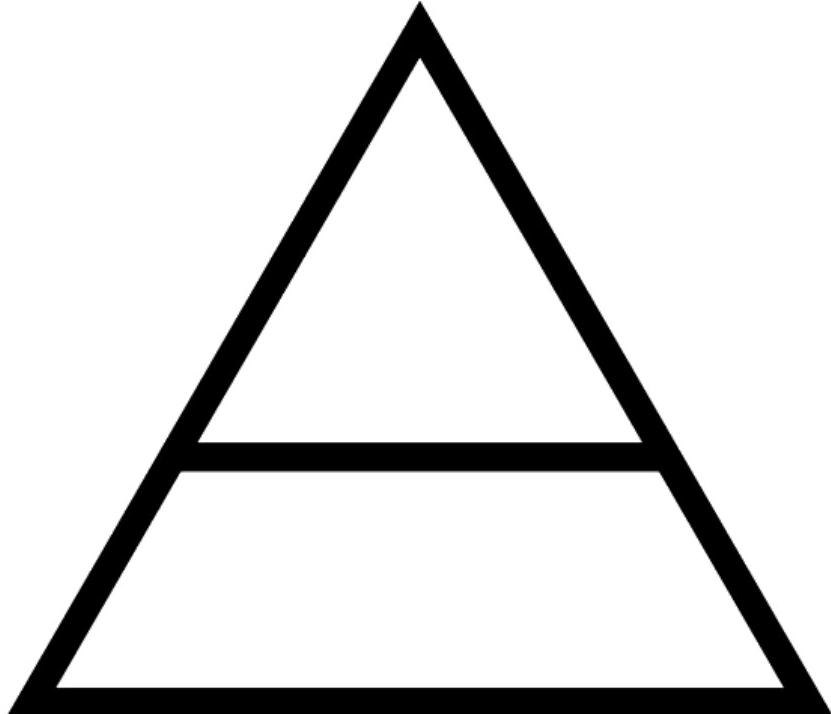

Helplessness Blues is the second studio album by Seattle, Washington-based folk band Fleet Foxes. It was released on May 3, 2011 as a follow-up to their eponymous 2008 Fleet Foxes album. Upon release, the album received universal acclaim from critics and was nominated for Best Folk Album for the 54th Grammy Awards.

Website of the Week

Founded in 2008, Project 7 is the brainchild of founder Tyler Merrick, a.k.a. "the social capitalist". He wanted to turn the 7 deadly sins upside down. For example, instead of focusing on a person who is gluttonous, focus on helping the person who has nothing to eat. Project 7's goal is to make positive change in seven areas of global need.
